1. Referenced cable contained [] recommendation for reduction of Military personnel.

2. We are showing the names of those proposed for release together with Headquarters reaction.

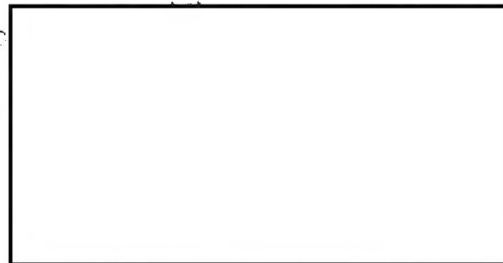

A. [] - Unless operations are carried out at high tempo one Weather Officer apparently can handle.

B. [] do not concur in release as there is question regarding [] personal affairs forcing an early release which would leave only []

C. [] doesn't favor release of [] has had a chance to give his opinion. He has heard [] express concern over Base B being denuded.

D. [] - Materiel Section does not concur. There are required reports and inventories that Materiel has not insisted upon because it was under impression present staff was overburdened. Although [] is one of the best men on the staff it is believed his release is requested because [] is miffed at him for trying to get assigned to outfit.
